

Our mission is to increase college aspirations, reduce financial barriers and inspire every student toward post-secondary education and completion.

Small Gifts. Big Impact.

Waterbury Promise is excited to announce the rollout of a **payroll deduction program** that will give all Waterbury Public School employees the chance to support our work to build a generation of college graduates right here in the Brass City. You have supported these talented students during their time at WPS—now there's an easy way to continue that impact and transform the lives of our scholars, their families and our very special community!

PAYROLL DEDUCTION BENEFITS

- **An easy, secure way to donate**
- **Set it and forget it**
- **Tax deductible**

About Us

Established in late 2021 in partnership with the City of Waterbury and Waterbury Public Schools, Waterbury Promise is a 501(c)(3) nonprofit organization located in the Chase Municipal Building. Our comprehensive college success model provides a **generous last-dollar scholarship** as well as **critical support services** to help talented Waterbury students get to college, persist through graduation and be career ready to join the local economy. **We will be serving nearly 400 scholars from the Class of 2022 and Class of 2023 across 17 CT colleges and universities this fall!**

EVERY DOLLAR COUNTS

Your payroll deduction contributions will:

- Fund **college scholarships** to make higher education more affordable
- Support our **Scholar Emergency Fund**
- Build out **college exploration, readiness and success programming**
- Scale up **career readiness initiatives**

Help us keep the promise of a brighter future by giving the gift of a college education. Together, we can open doors, create opportunity and watch our future leaders soar!

"It [Waterbury Promise] paves the way for students to one day become the person of their dreams all because they have a resource that supports them and their future." –Kamilini Gopie, WCA graduate and UConn-Waterbury Sophomore
